

# Free Private Well Water Quality Testing Gallup, NM

MAY 31, 2025

NMED and NMHealth will be **offering up to 100 free water tests for private wells** serving homes not connected to a water utility in McKinley County and surrounding communities in New Mexico.

May 31, 2025

9 a.m.–1 p.m.

McKinley County

Gallup Flea Market

340 N 9th St.

Gallup, NM

87301

## Test include:

- pH
- Nitrate
- Iron
- Sulfate
- Fluoride
- Arsenic
- Electrical conductivity

## HOW TO COLLECT A WATER SAMPLE:

- ✓ Fill a clean glass or plastic container with at least a quart (or 32 oz.) of your well water.
- ✓ If the home has a whole house filtration system, collect the water at the well head prior to any filtration or softener systems, if possible.
- ✓ Let the water run 2–3 minutes before collecting the sample.
- ✓ Collect the sample as close to the time of testing as possible.
