

Free Private Well Water Quality Testing Las Cruces, NM

NOVEMBER 8, 2025

NMED and NMHealth will be **offering up to 100 free water tests for private wells** serving homes not connected to a water utility in Dona Ana County and surrounding communities in New Mexico.

November 8, 2025
11 a.m.-2 p.m.
Dona Ana County

New Mexico's Ag Day
New Mexico State University
South PanAm Center Lot
1780 E. University Ave
Las Cruces, NM 88001

Test include:

- pH
- Nitrate
- Iron
- Sulfate
- Fluoride
- Arsenic
- Electrical conductivity

HOW TO COLLECT A WATER SAMPLE:

- ✓ Fill a clean glass or plastic container with at least a quart (or 32 oz.) of your well water.
- ✓ If the home has a whole house filtration system, collect the water at the well head prior to any filtration or softener systems, if possible.
- ✓ Let the water run 2-3 minutes before collecting the sample.
- ✓ Collect the sample as close to the time of testing as possible.
