

Free Private Well Water Quality Testing

LINCOLN COUNTY

NMED and NMHealth will be offering up to 100 free water tests for private wells serving homes not connected to a water utility in Lincoln County and surrounding communities.

TESTS INCLUDE:

- pH
- Conductivity
- Nitrate
- Sulfate
- Fluoride
- Iron
- Arsenic

HOW TO COLLECT A WATER SAMPLE:

- Fill a clean glass or plastic container with at least a quart (or 32 oz.) of your well water.
- If the home has a whole house filtration system, collect the water at the well head prior to any filtration or softener systems, if possible.
- Let the water run 2-3 minutes before collecting the sample.
- Collect the sample as close to the time of testing as possible.

March 28, 2026
8am - 12pm
